Hon W. L. Garrison

Dear Sir

I have in my store the original Ordinance of Secession of the State of South Carolina passed Dec 17 1860 which I thought you would like to look it over. Would be most happy to show it to you at any time when you can call upon me

Yours

C. A. Perkins

Reverse thy wheels, O Time, and let me
take back the weight of
throw off my shoulders threescore years;
To-day, rejuvenated, I would turn
again a boy once more, and
and know
together my apprentice hand

Let me throw off the weight of threescore
years and be a youth to
lead the procession of the early Dawn

Probably W. L. Garrison's last
attempt at versification.
